

INSTRUCTIONS

- Print the sea animal page and the fishing net page.
- Cut out the fishing net sheet.
- Glue only around the outside edges of each net, leaving the center open.
- Carefully paste the net sheet over the matching sea animal page.
- Turn off the lights or move to a darker room.
- Shine a flashlight from behind the page.
- Watch as the hidden sea animal appears inside the net!
- Place on the matching mats and find rest of them.
